QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.

ON TIME

WHEN you order Rose Coal you are always sure of getting it promptly. This is very important when your coal supply runs low and the weather turns suddenly cold.

QUALITY
ROSE COAL is always of uniform quality, burning out clean and free from clinkers. Mined in the outskirts of the City of Scranton, there is probably no better coal to be found in the whole Scranton District.
